## CLEAN AIR HAMILTON CRITERIA SCORING MATRIX - NEW PROJECTS

	Criterion	Score
Sectio	n 1.0 Organizational Information	5
Sectio	Board of Directors / Governing Body	3
	Board of Directors positions, specialization, and contact information included	3
	Governing Body positions, specialization, and contact information included	
	<u> </u>	
	Claims Board of Directors or Governing Body exists, but information is incomplete	1
	Claims Board of Directors or Governing Body exists, but no supporting information	
	provided	0
	No Board of Directors or Governing Body	Ö
	Profit / Non-Profit	2
	The organization is a registered non-profit organization OR a for-profit organization	
	partnering with a non-profit organization (charitable number optional)	2
	The organization suggests it is non-profit or for-profit partnering with a non-profit and	
	provides supporting information	1
	The organization suggests it is non-profit but no supporting information is supplied	1
	The organization is for-profit that does not have partnering non-profit or does <u>not</u> fit	
	the definition of Non-Profit from guidelines glossary	
Sectio	n 2.0 Organizational Capacity	15
Sectio	Mission / Mandate	
		I →
		3
	The organization has a clear, focused, and comprehensive mission / mandate	3
	The organization has a clear, focused, and comprehensive mission / mandate	3
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement	3
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement Incomplete or not clearly stated mission / mandate	3 2 1
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement Incomplete or not clearly stated mission / mandate The organization does not have a mission / mandate	3 2 1 0
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement Incomplete or not clearly stated mission / mandate The organization does not have a mission / mandate The mission / mandate of the organization does NOT fit with the definition of	3 2 1 0
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement Incomplete or not clearly stated mission / mandate The organization does not have a mission / mandate The mission / mandate of the organization does NOT fit with the definition of Environmental Organization from the guidelines glossary	3 2 1 0 DNQ
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement Incomplete or not clearly stated mission / mandate The organization does not have a mission / mandate The mission / mandate of the organization does NOT fit with the definition of Environmental Organization from the guidelines glossary Strategic Plan	3 2 1 0 DNQ 3
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement Incomplete or not clearly stated mission / mandate The organization does not have a mission / mandate The mission / mandate of the organization does NOT fit with the definition of Environmental Organization from the guidelines glossary Strategic Plan Submitted a complete Strategic Plan that fits the mandate of the organization and was	3 2 1 0 DNQ 3
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement Incomplete or not clearly stated mission / mandate The organization does not have a mission / mandate The mission / mandate of the organization does NOT fit with the definition of Environmental Organization from the guidelines glossary Strategic Plan Submitted a complete Strategic Plan that fits the mandate of the organization and was developed / revised within the last 5 years	3 2 1 0 DNQ 3
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement Incomplete or not clearly stated mission / mandate The organization does not have a mission / mandate The mission / mandate of the organization does NOT fit with the definition of Environmental Organization from the guidelines glossary Strategic Plan Submitted a complete Strategic Plan that fits the mandate of the organization and was developed / revised within the last 5 years Submitted a complete Strategic Plan that fits the mandate of the organization and was	3 2 1 0 DNQ 3 3
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement Incomplete or not clearly stated mission / mandate The organization does not have a mission / mandate The mission / mandate of the organization does NOT fit with the definition of Environmental Organization from the guidelines glossary Strategic Plan Submitted a complete Strategic Plan that fits the mandate of the organization and was developed / revised within the last 5 years Submitted a complete Strategic Plan that fits the mandate of the organization and was not developed / revised within the last 5 years	3 2 1 0 DNQ 3
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement Incomplete or not clearly stated mission / mandate The organization does not have a mission / mandate The mission / mandate of the organization does NOT fit with the definition of Environmental Organization from the guidelines glossary Strategic Plan Submitted a complete Strategic Plan that fits the mandate of the organization and was developed / revised within the last 5 years Submitted a complete Strategic Plan that fits the mandate of the organization and was has no formal document in place, but provided a summary or outline of the key	3 2 1 0 DNQ 3 3 2
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement Incomplete or not clearly stated mission / mandate The organization does not have a mission / mandate The mission / mandate of the organization does NOT fit with the definition of Environmental Organization from the guidelines glossary Strategic Plan Submitted a complete Strategic Plan that fits the mandate of the organization and was developed / revised within the last 5 years Submitted a complete Strategic Plan that fits the mandate of the organization and was not developed / revised within the last 5 years	3 2 1 0 DNQ 3 3 2
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement Incomplete or not clearly stated mission / mandate The organization does not have a mission / mandate The mission / mandate of the organization does NOT fit with the definition of Environmental Organization from the guidelines glossary Strategic Plan Submitted a complete Strategic Plan that fits the mandate of the organization and was developed / revised within the last 5 years Submitted a complete Strategic Plan that fits the mandate of the organization and was not developed / revised within the last 5 years Has no formal document in place, but provided a summary or outline of the organization	3 2 1 0 0 0 0 0 0 0 0 0 0 2 1
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement Incomplete or not clearly stated mission / mandate The organization does not have a mission / mandate The mission / mandate of the organization does NOT fit with the definition of Environmental Organization from the guidelines glossary Strategic Plan Submitted a complete Strategic Plan that fits the mandate of the organization and was developed / revised within the last 5 years Submitted a complete Strategic Plan that fits the mandate of the organization and was not developed / revised within the last 5 years Has no formal document in place, but provided a summary or outline of the key strategic directions of the organization Strategic plan does not meet the stated mandate / mission of the organization	3 2 1 0 DNQ 3 3 3 2 1 0
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement Incomplete or not clearly stated mission / mandate The organization does not have a mission / mandate The mission / mandate of the organization does NOT fit with the definition of Environmental Organization from the guidelines glossary Strategic Plan Submitted a complete Strategic Plan that fits the mandate of the organization and was developed / revised within the last 5 years Submitted a complete Strategic Plan that fits the mandate of the organization and was not developed / revised within the last 5 years Has no formal document in place, but provided a summary or outline of the key strategic directions of the organization No strategic plan information provided	3 2 1 0 0 DNQ 3 3 2 1 0 DNQ
	The organization has a clear, focused, and comprehensive mission / mandate The organization has a satisfactory mission / mandate vision or values statement Incomplete or not clearly stated mission / mandate The organization does not have a mission / mandate The mission / mandate of the organization does NOT fit with the definition of Environmental Organization from the guidelines glossary Strategic Plan Submitted a complete Strategic Plan that fits the mandate of the organization and was developed / revised within the last 5 years Submitted a complete Strategic Plan that fits the mandate of the organization and was not developed / revised within the last 5 years Has no formal document in place, but provided a summary or outline of the key strategic directions of the organization Strategic plan does not meet the stated mandate / mission of the organization No strategic plan information provided Implementation Team Experience	3 2 1 0 DNQ 3 3 3 2 1 0

	Partial list of team members list that includes the skills of each, but no information	
1	regarding how their skills of expertise will help the project be successful	2
	regarding now their skins of expertise will help the project be successful	
	List of team members does not include the skills of each and includes no information	
	regarding how their skills of expertise will help the project be successful	1
	Community Representation	2
	Response provides comprehensive and succinct information on how their leadership	۷
	represents the community	2
	Response provides satisfactory information on how their leadership represents the	2
	community	1
	Incomplete / unclear response	0
	Current Leadership	2
		2
	Three lines below plus: Has Working/Steering Committees/Groups that oversee	2
	<u>Two lines below plus</u> : Governing body is a skill-set based board and finds Best	2
	Practices ongoing	1
	Line below plus: Financial Information is reviewed on a regular basis	1
	Meets at least 4 times per year as a Board (or group)	1
	Incomplete / unclear response	0
	History	2
	Comprehensive and succinct response that clearly describes the history of the	
	organization and indicates important milestones / changes	2
	Satisfactory response that describes the history of the organization and indicates	
	important milestones / changes	1
	Incomplete / unclear response	0

		r –
	applicant predicts significant gains and proposes to use post-program survey	
	instrument	5
	applicant can demonstrate some knowledge gains, with follow-up survey instrument	
	applicant cannot demonstrate post-program knowledge gains	
Demor	nstrated impact in increasing community capacity to positively affect Hamilton AQ	15
:	#participants predicted to alter future behaviour in order to reduce emissions	7
	applicant predicts non-negligible air quality impact from program participants with	
	post-program measurement instrument	7
	applicant predicts air quality impact from program participants, but hard to quantify	3
	applicant cannot demonstrate air quality impact from program participants	
	applicant cannot demonstrate an quanty impact from program participants	
-	#participants who participate in ongoing fashion with AQ monitoring activities	3
	majority of program participants predicted to remain involved with ongoing	
	monitoring activities, with post-program measurement instruments	3
	minority of program participants predicted to remain involved with ongoing	
	monitoring activities, with post-program measurement instruments	2
	applicant cannot demonstrate that program participants will remain involved with	
	monitoring activities	
	Geographical Impact	5
	Impact entire City of Hamilton and surrounding areas	5
		4
	Benefits city as a whole, with greater impact in certain wards	
	Benefits only one specific ward or neighbourhood	2
	No impacts	0
Section	n 5.0 Air Quality Impact	45
Predict	ted impact on air quality	15 ma
	Reduction in air quality emission levels	15
	Proposal will measure post-project air quality throughout city for high-priority	
	pollutants	15
	Proposal will measure post-project air quality throughout city for lower-priority	
	pollutants	
<b>├</b> ──┼	Proposal will measure post-project air quality in defined neighbourhoods for high-	
	priority pollutants	10
┣───╂		
	Proposal will measure post-project air quality in defined neighbourhoods for lower-	_
	priority pollutants	
	Future pollutant reductions are explained and verified.	
	No plan to measure air quality post-project	0
Predict	ted impact on air quality knowledge (scientific)	30
	<i>ted impact on air quality knowledge (scientific)</i> Geographic areas covered	<u>30</u> 5

		T
	Coin in ccientific air quality knowledge is sity wide	
	Gain in scientific air-quality knowledge is city-wide	
	Gain in scientific air-quality knowledge covers multiple wards	
	Gain in scientific air-quality knowledge cannot be quantified geographically Pollutants covered	10 ma
		10 116
	One point for each priority pollutant type, up to a maximum of 10	
	Three points for each high priority pollutant type, up to a maximum of 9	
	Time period covered	5
	An entire year	5
	Three seasons	4
	Two seasons	3
	One season	2
	Less than one season	0
	Quality of scientific data that form the basis for the proposal	5
	None	C
	Some, moderate quality	4
	Some, high quality	e
	Lots, moderate quality	8
	Lots, high quality	10
	Quality and reasonable ability of initiative to fill identified gaps in existing knowledge	5
	Lots, high quality	5
	Lots, moderate quality	4
	Some, high quality	3
	Some, moderate quality	2
	None	(
Sectio	n 6.0
